The word "LAUNCH" is written in a large, green, sans-serif font. Below the letter "A", there is a stylized green outline of a rocket ship with three yellow vertical bars representing flames or exhaust.

Feeding of the 5,000

Welcome to another Launch at home. Here are some activities for you to explore this week's theme. I hope you enjoy them!

I know it's not Christmas but apparently it's a cute puppy! It's called a Christmas miracle.

Is this a miracle? Is it similar or different to the miracles we have looked at?

How would you define a miracle? What is a miracle? Do let me know what you think, I'd be interested to see. I'll give you my definition next week.

You can read the story of the feeding of the five thousand in Matthew 14:13-21. Last we looked at the story in John 2:1-11.

What is similar in the two stories? What is different? Make a list – you can compare with some of my answers which are at the end.

The boy did not have much to offer to Jesus – just some smelly fish and dry bread – but Jesus took it, blessed it and used it. We might think that what we can offer is not very much – but this can encourage us that Jesus can still take it and use it – and us!

## Reflection

This song is just about my favourite worship song. As you listen to it reflect on the incredible fact that this incredible God who created the universe and does miracles loves and cares for each one of us.

Looking in the sky whoever could deny Your  
glory  
Gazing into space how small the human race  
appears  
Seeing You in all Your majesty  
I wonder how it could be  
That You delight in me

Lord You are an amazing God  
Lord You are an amazing God  
Lord You are an amazing God  
And I love You I love You

Lord of everything no other god or king is like  
You

Powerful and strong yet tender is Your song to  
me  
Knowing the extent of all my sin  
However could You be pleased  
To pour Your love on me

Lord You are an amazing God  
Lord You are an amazing God  
Lord You are an amazing God  
And I love You I love You

You light up the heavens with just one word  
You measure the mountains in Your hand  
Yet You treasure the broken and make them  
whole  
You crown us with Your love

Memory verse: "You are the God who performs miracles; you display your power among the peoples."

### ***Psalm 77:14***

As you read this perhaps you could think of those people you know who are ill and pray that God would help them, and pray for researchers who are trying to find a cure for the virus that God would help them.

Let us know how you get on with this.
